Overview of Classroom Stormwater Education Activities and Teacher Training:

On this page or separate sheet, please provide an overview of district curriculum pertaining to stormwater and water resource protection as well as special projects or programs (such as grants, water quality monitoring, stream restoration projects). See directions for additional suggestions.

Teacher Workshops:

Continuous education, particularly for teachers, may offer the best way to promote change in our societies. The Environmental Information Cooperative, offers teacher EE workshops. During the 2004-2005 school year, please indicate the number of teachers who attended environmental education workshops. Following is a list of local workshops, please feel free to include others you feel qualify.

Training/Workshop	Number of Teachers
Project WET	
Aquatic WILD	
Project WILD	
Worms Go to School	
Salmon Go to School	
Birds Go to School	
Bugs Go to School	
Aquatic Bugs Go to School	
Nature Mapping I, II, III	
Other:	

Additional comments:

Additional comments:

Expenditures

During 2004-2005 the key costs for *stormwater-related* environmental education efforts, including expenses such as transportation and substitute reimbursement, were:

Special environmental education centers	\$
Water quality monitoring/testing equipment	\$
Environmental education grants	\$
Materials/books/supplies	\$
Staff development	\$
Outdoor school or equivalent	\$
Stormwater/environmental assemblies	\$
Outside speakers / presenters	\$
Field Trips	\$
Resources – Books / CD ROMs, etc.	\$
Other, please describe:	\$
	\$
	\$
	\$
	\$
	\$
Total stormwater education expenses	\$

Additional comments:

Environmental Education Contacts:

Please let us know of other key staff, if any, we should be contacting to coordinate with or educate about the waiver program.

We periodically send out information on classroom presentations, workshops, and other opportunities offered to teachers and students. Please provide email and or mailing addresses if you would like your staff to receive these announcements.

Name	School	Mailing/Email Address	Phone number

Thank you for your time and information. Please mail completed form by October 31, 2005 to:

Cindy Stienbarger
Clark County Water Resources
P.O. Box 9810
Vancouver, WA 98666-9810
